BEFORE YOU SIGN YOUR DENTAL OFFICE LEASE, DO YOU KNOW WHAT YOU'RE AGREEING TO?

Avoid \$100,000 Traps with a Professional Dental Office Lease Review

Are you starting a practice, renewing your lease, expanding or relocating? If so, you'll soon have to enter into a lease negotiation with your landlord. But wait; how will you determine what you need your lease to do for you, and where you should spend your time negotiating? Unless you have experience reading leases, you will need professionals working for you to help decipher the complex language, help you avoid risks, and get you the best deal possible.

Since 1994, Cirrus Consulting Group has been the leader in tenant office lease negotiation services for dentists. Having negotiated over 10,000 dental office leases over two decades, we're here to protect your investment and prevent you from signing an unfair, one-sided lease agreement with your landlord.

Complimentary Dental Office Lease Review (\$1495 Value)

Thanks to the generous sponsorship of Robertson Hall Insurance, you've been carefully selected to benefit from these services offered by Cirrus. Valued at \$1495, we are offering it to you at no charge through Robertson Hall Insurance. Once your lease is received by us, we'll call to schedule a phone consultation.
